

Overview:

In this topic we will be learning about toys over living memory. We will learn about the toys that we play with. We will then learn from our parents and grandparents about toys that they played with. We will have a chance to physically explore toys of the past and think about what is the same and what is different

What I already know...

I know that we play with toys.

I know that my parents played with toys.

I know we all play with different toys.

By the end of this unit...

- I will know what toys are and what my favourite is.
- I will understand what toys were like in the past and what my parents and grandparents played with.
- I will learn how toys changed in living memory.
- I will can sort toys into past and present.
- I will compare different toys.
- I will explore how toys will change in the future

Key Vocabulary
