# CONTINUING THE JOURNEY...

# CONTINUING THE JOURNEY...

We work very closely with the Infant school team throughout the course of the academic year.

Transition starts for children with additional needs; the process for information sharing begins at the end of the Spring term (next April).

For all Year 2 children, we officially start transition in Summer 2: meetings between class teachers; handover from SENCo to SENCo; and a whole range of activities to ensure an informed, smooth and confident transition from the Infants to us:

- Our Year 3 teachers visit the children in their current classes to spend some time with them and read some books together**
- Year 2 & 3 'Environment Day' – Year 3 become the experts and together all the children complete a scavenger hunt in our wonderful grounds**
- Year 2 & 3 picnic is held on the school field with both Infant and Junior staff there to support**
- 'Shuffle Up' day in July – whole school assembly, meeting the new teacher, introduction to the classroom**

# WORKING TOGETHER

**Honesty    Communication    Trust**
